Bob,

Just checking again. I plan to offer several dates for the next WDNR call. Erik wants the following: Does it work for you?

My preference would be the 4/17 date, but I can be available by phone on 4/10 in the morning and 4/13 in the afternoon.

I am more than okay with you calling the WDNR attorney to discuss the MOA/MOU concept. I am not sure it was and I have misplaced my notes. Barbara would remember his name, I'm sure. Should I float the three dates to my contact at DNR in the order you presented below?

If you are okay with it, it make sense to me to talk to the WDNR attorney. I'll get that person's name from Barbara and give them a call.

Erik,

I am trying to figure out a few dates to suggest to DNR for our next meeting/discussion time. Bob and I can meet 4/10, 4/13 or 4/17. Could you make any of those times?

Also, Bob did talk to his WDNR contact about next steps. John Robinson agreed to share their workplan with us. Bob did not ask about sharing it with the tribe. Do you think it would make sense for us to share the MOU with DNR? If so, do you think there is any advantage to talking about that concept with WDNR attorney to attorney?
